

A 3D rendered illustration of a silver shopping cart with a pink handle and blue wheels. The cart is overflowing with various colorful gift boxes in shades of pink, blue, yellow, and red. Some boxes are wrapped with ribbons, and one pink box features a heart-shaped window. Two balloons, one yellow and one orange, are also visible among the gifts. The background is a soft, light purple gradient.

What Are the Benefits of Using POS for Retail in Malaysia?
